

June 12-14

Be our guest as we have loads of fun with All Things Disney. Our crafts, snacks, and activities are all Disney themed. Campers are invited to dress like their favorite Disney characters. With Mickey Mouse, Buzz Lightyear, and Queen Elsa, we are sure to have a magical week.

More things Disney

June 19-21

One week of Disney is not enough to fit in all the fun that Disney has to offer. We will spend a second week with all our favorite Disney friends. Activities this week will be different than the previous week. Campers are again invited to come dressed as their favorite Disney characters.

Animal Planet

June 26-28

This week is all about the creatures God created that walk on our planet, both big and small. We will explore different animals and their habitats through books, songs, crafts and games.

CAMP SMILE-A-ROCK

July 10-12

Join us for a fun week as we explore music through song and instruments. We will create various instruments and even try our hand at composing songs. Our Smile-A-Rock band will perform in their own concert.

July 17-19

We invite explorers to come investigate the outdoors with us and see all the interesting small creatures God creates each day. We will see what we can discover right in our own backyard.

July 24-26

We end our camp weeks with a tribute to summer! We will spend our days having some fun in the sun with summer themed activities, crafts, and games.
