Request for Scholarship Assistance

The Olive Branch Scholarship Fund was established for families with preschoolers who are dealing with financial hardship to help ease the burden of giving their child a Christian preschool experience. The amount available in this fund varies since it is based on contributions received from preschool families. The preschool may also be able to offer some assistance depending on enrollment. Since we are a non-profit school, we have a very tight budget to draw from. Families who qualify for financial assistance would still be responsible to pay a percentage of the tuition for their child in a timely manner. All requests and application information for financial assistance are kept confidential. Preference is given to those students who are attending the Pre-K 4-yr or 5-yr class so that they can be best prepared for kindergarten.

To help us process your application, we ask that you fill out this form and return it to us with copies of the items listed below in a sealed envelope in order to insure confidentiality.

Items Required:

- Copy of most recent Federal Income Tax Form 1040 (or 1040A or 1040EZ)
- Copies of 2 most recent pay stubs

Please include on your application any additional income that you receive (i.e. Child or Spousal Support, Public Assistance, Unemployment Compensation, Workers' Compensation, Disability, Social Security, etc.) that may not appear on your tax return. In the event that you change employers, it is necessary that you send us copies of the required items listed above, as they become available, so that we can update your application on file. We hope to be as fair as possible and give what financial help is available to those most in need.

You need only complete one Scholarship Application for all children attending the preschool.

This application is based on the Free and Reduced Price School Meals Family Application used by the Hempfield School District.

NOTE: Scholarship assistance must be applied for each year and is not guaranteed from year to year. Scholarship assistance is based on financial need and the age of the child and is subject to available funding.

Vision Statement: Noah's Ark Preschool & Rainbow Tots is a non-profit preschool dedicated to provide an innovative weekday educational environment, informed by a Christian world view, which celebrated each child as God's unique creation and equips each learner with a Biblical foundation for life so we might live together joyfully under the lordship of Christ.
